ALL INFORMATION IS CONFIDENTIAL

Why do we need to know your household income?

- Some of our funding comes from grant monies that require income information from our patients to prove a financial need in the communities we serve.
- These grants allow us to provide a much higher level of care than we could otherwise afford.

Definitions:

Household members:
All members of a household who are related and/or pooling financial resources are counted as one family.

Income:
Income is defined as monies received from all sources before taxes, including:

- Wages and Salaries
- Receipts from self-employment less operating expenses
- Payments from public assistance, social security, strike benefits, military allotments, disability, child support, government or private pensions, regular insurance or annuity payments
- Income from dividends (including permanent fund & longevity dividends), interest, rents, royalties, estates or trusts
